Welcome To Searles

Welcome to our 2021 Holiday Brochure

Thank you for taking the time to read our 2021 holiday brochure.

We were very grateful for the feedback from our customers during 2020. The smaller brochure this year is in direct response to the feedback that the significant majority of our customers prefer to visit our website and book online. However old habits die hard and we didn't want to completely banish the printed format just yet and hence we have created a 'Snapshot' version to hopefully whet your appetites.

Furthermore we were delighted that so many of you positively commented on the measures we adopted to make our resort a safe place to visit during the pandemic and those measures will be actively enforced for the 2021 season as dictated by the regulations in place at the time.

To assist in managing the 'Book with Confidence' requirements we are launching a new customer booking portal. This portal will allow you to amend details on your bookings, including names of family joining you on your holiday, booking future holidays and making payments on your holidays online, instead of having to contact the reservations team.

It will also be important for customers to fill in their car registrations as a new barrier system is being installed to recognise your car registrations to allow quicker and easy access to the resort.

We are also continuing our investment in our Holiday Homes with the introduction of the Beckwood and Stonewood ranges. These homes will be offered in both 4 and 5 berth configurations respectively. The Beckwoods will replace our Portland range of center lounge homes and two will have hot tubs attached. The Stonewood Homes will fit into our Elite range, all of which will be 5 berth homes.

We will be also be installing more hot tubs with our homes further complimenting the excellent range of outdoor facilities and activities we will be offering on resort in 2021, and don't forget our excellent location to explore the fantastic natural landscape that our part of Norfolk has to offer.

Please also remember that each holiday booked directly through Searles includes a pass to our leisure facilities including the splash pool, indoor pool and outdoor pool. The pass permits access into the central clubhouse which includes Smokey Jo's & the Bars.

We hope to see you on the resort in 2021.

Warm regards

Paul Searle
Managing Director
