Private sales are sold on behalf of the owner and are sold as seen. They will have had a gas safety check during the last 12 months, if not a new one will be carried out at the time of sale. A safety check only confirms the safety, not the working of appliances at the time of issue. The certificate is provided by the owner not Searles.

New Lodges & Caravans will have a 12 months manufacturer warranty, unless stated differently on your sales agreement.
